

basis\_functions::reduced  
\_hamiltonian\_2\_electrons

```
graph LR; A[basis_functions::reduced  
_hamiltonian_2_electrons] --> B[basis_functions::discrete  
_laplacian_reduced]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and contains the text 'basis\_functions::reduced' on the first line and '\_hamiltonian\_2\_electrons' on the second line. The right box has a white background and contains the text 'basis\_functions::discrete' on the first line and '\_laplacian\_reduced' on the second line. A dark blue arrow points from the right side of the left box to the left side of the right box.
