

sweetener::simulate

```
graph LR; A[sweetener::simulate] --> B[sweetener::delta_e]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'sweetener::simulate'. The right box is white and contains the text 'sweetener::delta_e'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

sweetener::delta_e
